

RANDOLPH COMMUNITY BAND

Dear Supporter of the Arts,

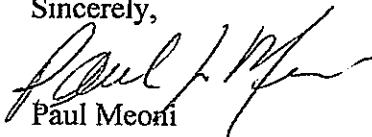

The Randolph Community Band is a 501(c)3 non-profit, community arts organization based in Randolph, MA. The ensemble offers musical performance opportunities to local residents and students living in Southeastern Massachusetts. It is the goal of the Randolph Community Band to promote artistic excellence on the South Shore of Massachusetts. The group consistently performs literature written for wind band and has quickly become a beacon for the arts in Massachusetts.

The Randolph Community Band (RCB) is preparing for the 2025 Dinner Concert, *Motown!* to be held on Saturday, March 29 at The Tirrell Room in Quincy, MA. Based on the ensemble's strong belief of giving back to the community, funds raised from this concert will be used to cover overhead costs of the free concerts within and around communities on the South Shore provided over the calendar year. We also dedicate a portion of the proceeds for a donation to a local non-profit organization which serves the residents of the Randolph area.

The Randolph Community Band needs your help! RCB will be holding a silent auction during the Dinner Concert. The community band is currently soliciting local business, families, and friends to donate items to be featured in the silent auction. The funds raised from the silent auction will be used to fund additional free community concerts, fund scholarships for local music students, and purchase music.

Thank you for your time and I hope you will strongly consider donating to support our organization. I also invite you to join the Randolph Community Band at any of our concerts, held throughout the year.

Sincerely,

Paul Meoni
President
